

# **Publication Center v0: Falsifiers & Peer■Review Log**

## **Falsifier Battery (F1–F6)**

F1 Confluence break; F2 Type■II mirage; F3 Pal witness failure; F4 Legality hallucination; F5 Energy regression; F6 Retrieval regression.

Each published PDF includes harness IDs for reproducible attempts.

## **Pilot Peer■Review Notes**

No confluence breaks detected on randomized orderings; governance correctly issued NTER for missing real■world pins on Mars Nav; other cases OPEN. Reviewers asked for explicit pin catalogs in the front matter → addressed in v0 packet.
